

CHILDPROOFING EQUIPMENT

Safety Gates

\$25 to \$100 ea.

Prevent children from going up or falling down stairs, entering a room, or going outside.

There are also more extensive multi-panel gates for putting around fireplaces, open stairs or to create a safe play space (\$100 to \$300 ea).

Drawer & Cabinet Locks

\$0.25 to \$2.00 ea, in packs of 4-12

Prevent children from opening drawers and cabinet doors to keep them safe from poisons and other dangerous items.

Electrical Outlet Protection

Outlet Plugs (~\$2 for packs of 12)

Prevents your child from inserting objects into electrical outlets which may cause electrical shock.

Outlet Plates (\$3 to \$6 ea)

These either swivel or slide to use outlet. The plate must be removed and the new one screwed on.

Outlet Covers (\$3 to \$10 ea)

Serve the same purpose as the above but also limit children from pulling plugs out.

Toilet Locks

\$2 to \$10

Protect your child from drowning and keep plumbing safe from objects thrown in toilet.

Appliance Locks

\$1 to \$25 ea

There are many different types, some are specific to refrigerators or ovens, other are multipurpose (refrigerator, oven, dishwasher, microwave, etc.).

Stove Guards & Stove Knob Covers

~\$25 for guard & \$8 to \$15 for packs of 4-5 covers
Protect your children from burns or turning on gas.

Door handle locks

\$ 0.50 to \$4 ea (sold in packs of 2-4)
Prevent children from opening doors.

Lever handle locks (\$4 to \$15 ea) are made specifically for lever handles.

Corner Guards

\$2 to \$10 for packs of 4
Protect your child and furniture from accidents on sharp corners.

Smoke Detectors

\$2 to \$50 ea

Smoke detectors are required by law on all levels of your home and in all bedrooms (contact fire dept for more information). Some also contain carbon monoxide alarms.
