Mercury Fever Thermometer Exchange

Bring us your glass mercury fever thermometer and exchange it for a digital thermometer.*

Mercury is toxic and can cause damage to the nervous system, brain, kidneys, liver, and immune systems in humans and animals. BE MERCURY-FREE.

Please place mercury thermometers in two plastic zipper bags to prevent spills.

No appointment necessary to bring thermometers only. To bring other types of household hazardous wastes to the Community Toxics Collections for disposal, you must make an appointment by calling 1-877-747-1870.
